

Dear CFFC User

Please note:

You will receive labeled antibody tubes that will be prepared when we receive your order sent to CFFC@uni-mainz.de

Minimum order is 20µl per vial for the first time and 50µl per vial for the following orders per group leader of antibodies in stock.

We try to maintain the best availability by having panel stocks. It is possible that due to high demand we might be short.

Please bear in mind that the delivery of ordered BD customs can take up to three months.

We offer the following discounts on antibodies:

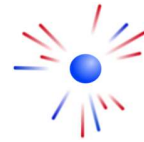

BD Custom:	25%
BD Optibuild, Horizon, Pharmingen:	40%
Biologend:	20%
Thermo Fisher:	10%
Miltenyi:	10%

To order antibodies from us please fill out the latest Ordering Form from our homepage: <https://www.cffc.uni-mainz.de/downloads/>

The minimum information that we need to process your order is:

Your CFFC calendar customer code, date, marker, clone, catalog#, list price, and the volume that you need in µl (if you need one vial put 1).

Forschungszentrum für Immuntherapie
Langenbeckstraße 1
Geb. 308A 3.OG
55131 Mainz

Please note that listed prices may be out of date, and will be the actual prices in the invoice.

Please note that prices are net prices and the invoice will include VAT.
